Dear LIGO Laboratory colleagues,

If you have any questions or detect any irregularities with the author list, please do not contact Norna and Peter directly.

Stan has been asked by Jay and me, and has agreed, to take responsibility for defining and managing the LIGO Laboratory author list.

Therefore, we request that you direct your comments ONLY to Stan (i.e., PLEASE do not reply to all).

Please do not hesitate to contact me if there are any questions.

Thanks,
 Albert
