Calum,

Does everyone know where Bridge building is located? If not, its best to link them to a map at:

<http://www.caltech.edu/map/>

and

http://www.ligo.caltech.edu/LIGO_web/sidebar/travel.html

Directions to park:

On the north side of campus, east to west, is **Del Mar Blvd**
You will take Del Mar to, **Holliston Ave** -going north to south
Take **Holliston south** into campus
Half a block you will see the **Holliston parking structure on the left**

Register your car in with Security in the structure
Security will give you parking instructions
YOU MUST REGISTER YOUR VEHICLE
-you will receive a \$25 parking ticket if you do not.

Did I miss anything??

Thanks!

R

If you could find anything that would be great as I can let the folks know who are coming next week!

We are all set up with the conference room and Phil has confirmed he is all set!

Calum
